	LLC for a Certificate of Public Convenience)	CERTIFICATE TO
	and Necessity to Provide Local Exchange)	PROVIDE SERVICES BY
	Telecommunications Services within the State)	WAY OF UNE-P
	of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of a request filed by EZ Talk Communications, LLC ("EZ Talk" or the "Company") to amend its Certificate of Public Convenience and Necessity to reflect that EZ Talk will be providing local services through the use of resale and the unbundled network elements platform (UNE-P) in South Carolina.

EZ Talk was granted a Certificate of Public Convenience and Necessity to provide resold local exchange and long distance telecommunications services within the state of South Carolina on October 12, 1998, by Commission Order No. 98-787. By letter dated September 3, 2002, EZ Talk requests that the Commission amend EZ Talk's Certificate of Public Convenience and Necessity to reflect that EZ Talk will be providing local exchange services on both a resale basis and by means of the unbundled network elements platform (UNE-P).

Upon consideration of this matter, the Commission finds and concludes that the Certificate of Public Convenience and Necessity granted to EZ Talk should be amended

to reflect that EZ Talk now has authority to provide local exchange services in South Carolina on both a resale basis and by means of the unbundled network elements platform (UNE-P).

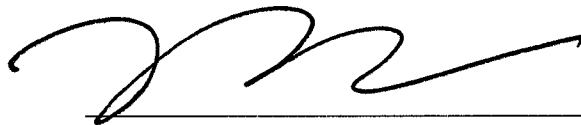

IT IS THEREFORE ORDERED THAT:

1. EZ Talk's Certificate of Public Convenience and Necessity is amended to reflect that EZ Talk has authority to provide local services through resale and by means of the unbundled network elements platform (UNE-P).

2. The Commission's records will hereby reflect the amendment of EZ Talk's authority in South Carolina.

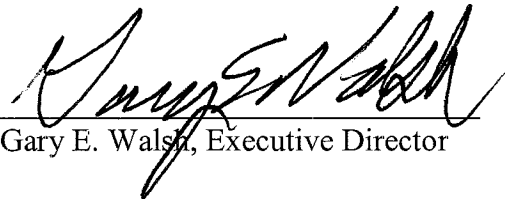

3. This Order shall remain in full force and effect until further Order of the Commission.
